About the Map

This Map features selected members of the Canberra District Wine Industry Association. The Association is the leading industry body for wine makers in the ACT and serves to promote and develop Canberra District wine and grapes, in support of wine industry tourism in the ACT and the wider region. It is representative of wine makers licensed in the Canberra District within the Australian Capital Territory. This Map features selected members of the Canberra District Wine Industry Association (CDWIA). The Association is the leading industry body for wine makers in the ACT and serves to promote and develop Canberra District wine and grapes, in support of wine industry tourism in the ACT and the wider region. It is representative of wine makers licensed in the Canberra District within the Australian Capital Territory.

Canberra and Region Visitors Centre

In partnership with a friendly local resident and the only hand-made glass in the Canberra and Region Visitors Centre – technology entrepreneur, Ruth Grainger, you will have the opportunity to learn about Canberra and the region’s wine industry. Ruth will pick you up from your local hotel and introduce you to the region’s wine culture. She will take you to see some of the local wineries, including the Old School House, previously the site of the original Canberra courthouse. You will also have the opportunity to taste some of the region’s best wines and enjoy a delicious lunch at one of the local restaurants. The tour will conclude with a visit to the Canberra and Region Visitors Centre, where Ruth will provide you with information on the region’s wine industry and answer any questions you may have.

Wine Australia

Wine Australia is the national industry body responsible for promoting and supporting the Australian wine sector. They work to enhance the global reputation of Australian wine and increase wine exports, as well as supporting the local wine industry and its workers. Wine Australia is committed to ensuring that the wine industry in Australia is world-class and continues to grow and prosper.
