Wine tastings Food/Dining Shopping/Produce Accommodation Tours

The Canberra District is home to some of the most respected and innovative winemakers and vineyards in Australia.

A long growing season, with cool nights and warm days, ensures premium ripening conditions. The wines are small batch, with distinct nuanced flavours, made lovingly by hands-on producers. In style, the wines from this elevated continental climate are elegant and medium bodied, bursting with freshness.

Alongside traditional varieties, Shiraz and Riesling, the Canberra District is experimental, where the curious wine explorer will find new and exciting varieties and techniques to savour. Come and see us to experience a unique lifestyle of hearts and vines.
